

Student's Roadmap for getting started on the Swami Vivekananda Contributor Personality Program (SVCPP)

How to get this **free*** Study Material for yourself

- 1** **Submit** your name, course, email-id, and mobile number to your faculty.
(Note: In case you don't have a mobile phone, you can give the number of a trusted relative or friend. Ensure the email-id and mobile number are working and accessible by you).
- 2** Your faculty will then send this to the i-become team to register you onto the I-Become ActivGuide™ Website (<http://gtu.ibecome.in/>).
- 3** Once registered, you will receive an “**invitation email**” at the email-id you had submitted. Open this email and follow the given guidelines to **complete your registration process** and “**activate**” your course. You will get a username and password. *(Note: In case you face any issues, write to snehal.v@ckrinfo.com)*
- 4** Go to (<http://gtu.ibecome.in/>) and **log into** your personal account.
- 5** Select any Program Unit (eg: Unit 1: Who is a Contributor). Inside this Unit page, you will see the **Study Booklet for the Unit**. Click to open it. Right-click **to print it**. *Ensure you carry this printed booklet for your next class.*
- 6** **You are now ready to begin!** Freely explore as many rich-media units as you wish, by logging into your own personal I-Become ActivGuide™ account.
